The relevant provisions of the Credit Union Code of Practice apply to this loan contract. The Credit Union Code of Practice requires us to give you information about the current interest rate (the annual percentage rate) and current fees and charges applying to this loan whenever you request it.

- (e) headings are for convenience only and do not affect the interpretation of this agreement;
- (f) words importing the singular include the plural and vice versa;
- (g) words importing a gender include any gender;

- (k) a reference to a party to this contract includes that party's successors and permitted assigns.

### **2. REPAYMENTS**

2.1. You must repay the balance of the loan by making the repayments set out in the Schedule. However, this is subject to other terms of this loan contract, for example, if we increase repayments or if you are in default.

2.2. If we do not receive value for a cheque, payment order or direct credit, we may:

- (a) reverse the credit; and
- (b) charge you interest or default interest; and
- (c) exercise any right or remedy under this contract; as if the repayment had never been made.

2.3. If you are liable to us under 2 or more loan contracts and do not tell us to which account we are to credit any repayment, we may credit the repayment to this loan contract or any of the other loan contracts as we choose.

2.4. We may apply any payment from you or the Guarantor to enforcement expenses, default interest, credit fees and charges, interest or principal as we choose.

2.5. We may apply any payment from you or the Guarantor to the most recent debit to your account.

### **3. CALCULATING INTEREST CHARGES**

3.1. We will calculate interest daily by multiplying the unpaid daily balance of the account at the end of the day by the daily percentage rate. The daily percentage rate is the Annual Percentage Rate divided by 365.

3.2. We will debit interest on or about the same day every month. This day will not necessarily be the same day that your repayments are due. We will also debit interest on the day you pay the balance of the loan.

### **4. CALCULATING DEFAULT INTEREST CHARGES**

4.1. This Clause 4 only applies if a Default Rate of Interest is specified in the Schedule.

4.2. If you do not make a repayment when due, you must pay us default interest as well as interest.

4.3. We will calculate default interest daily by multiplying the overdue amount by the daily default percentage rate. The daily default percentage rate is the Default Rate of Interest divided by 365.

4.4. We will debit default interest on the same days as we debit interest under Clause 3.2.

### **5. CREDIT FEES AND CHARGES**

6.2. If the variation increases your obligations, we must notify you on or before the day the increase takes effect by:

- (a) publishing a notice in a newspaper and sending you notification in your next statement of account; or
- (b) giving you written notice.

### **7. VARIATION OF INTEREST CALCULATIONS**
