Thank you for choosing e-statements. Electing to receive your SGE statement online saves time, money and the environment. Registering for e-statements will mean you agree to not receive a paper statement in the mail and will instead receive an email notifying you when your current statement is available on-line. SGE reserves the right to deregister your e-statement service if we receive notification of an invalid email address.

Once you have registered for e-statements you can cancel your registration or update your email address at any time by completing this form and returning it to SGE Credit Union.
